

Be part of our interconnection story.

DE-CIX (German Commercial Internet Exchange) is the world's leading Internet Exchange operator and since its inception it has had a decisive influence on shaping the guiding principles of the present and future Internet in various leading global bodies. At our locations in Europe, Africa, North America, the Middle East, and Asia, we work at the heart of the Internet. For almost 30 years, our interconnection services have contributed to the creation of new digital ecosystems worldwide and have prepared people, businesses, and organizations for the coming decades of digital evolution. The DE-CIX Internet Exchange in Frankfurt (Germany) is one of the largest in the world. For more information, please visit www.de-cix.net.

Based on the initiative of Universitat Pompeu Fabra (UPF), DE-CIX has launched the global Interconnection Academy, a pioneering collaboration designed to set a new standard for excellence in interconnection education. The Academy is designed to provide professionals with comprehensive technical, operational and business knowledge, equipping them with the skills they need to thrive in the fast-paced world of interconnection. Whether you are an experienced professional looking to improve your skills or a student wanting to learn from the best, you are welcome at the Interconnection Academy.

For future growth of the Interconnection Academy, we are looking with immediate effect for a motivated

Manager Global Interconnection Academy

Our Offer

- The opportunity to shape and develop the further growth of the Global Interconnection Academy
- By fostering your network you will manage and expand our community of Interconnection experts, stakeholders from the industry and content providers for our Expert trainings on the functions of the Internet
- You will benefit from these connections to develop and implement marketing strategies for the success of our Academy and to market out trainings and certification programs worldwide
- What also awaits you is:
 - an appreciative corporate culture and trustful teamwork with like-minded specialists, as well as great working conditions (personal development measures, a pension scheme, language courses, health promotion, support for children care/eldercare, flexible working hours and more)
 - exciting and diverse challenges in an innovative and international environment, within the framework of a crisis-resistant permanent contract with the world's market leader in its sector
 - extremely friendly and supportive colleagues and an existing network

This is important to us

- At least five years of experience in the interconnection industry (Sales or Marketing), ideally in combination with initial exposure to the academic world as a networking pro and speaker or even as a manager of a comparable academy
- Excellent communication skills in at least two languages (English and Spanish), negotiation skills and the talent to lead different stakeholders to joint success
- The ability to bring to market complex technical contexts for a broad audience and a strong passion for innovative digital educational offerings
