We are now looking for a committed person for **Jakarta/Indonesia**

Sales Support Executive (w/m/d)

Our Offer

You will...

- Be responsible for maintaining and optimizing Salesforce, introducing new features, and proactively providing feedback to better develop the system
- Support sales related processes and support the operational and other related assignment given to you.
- Ensure that processes related to quotation preparation, order processing, and invoicing are continuously automated and run smoothly and are aligned with our global processes.

What also awaits you is

- An appreciative corporate culture and in cooperation with an international team of trustful like-minded network specialists
- Great and flexible working conditions
- Exciting and diverse challenges in an innovative and international environment
- Crisis-resistant contract with the world's market leader in its sector
- Extremely friendly and supportive colleagues

This is important to us

- A successfully completed commercial education or a comparable qualification, ideally in a Telco, Consulting, or IT-related field
- Up to 5 years of market experience in telecommunications or consulting will be a plus
- Experience with CRM/ERP systems and process management, as well as confident handling of MS Office is desirable
- A reliable, structured, and independent way of working, combined with excellent communication skills and a willingness to learn new skills
- Fluent in English and Bahasa, both oral and written. Knowledge in Japanese is a plus
