

Be part of our interconnection story.

DE-CIX is the world's leading Internet Exchange (IX) operator and since its inception it has had a decisive influence on shaping the guiding principles of the present and future Internet in various leading global bodies. At our locations in Europe, Africa, North and South America, the Middle East, and Asia, we work at the heart of the Internet. For the last 30 years, our interconnection services have contributed to the creation of new digital ecosystems worldwide and have prepared people, businesses, and organizations for the coming decades of digital evolution. DE-CIX operates the largest neutral interconnection ecosystem in North America, with IXs in New York, Phoenix, Chicago, Dallas, Richmond, and Houston, and a dedicated Cloud Exchange in Seattle. The DE-CIX Internet Exchange in New York is the largest neutral IX in the Northeast. For more information, please visit www.de-cix.net.

We are looking for an enthusiastic

Marketing Coordinator

Our Offer

- To support event planning and execution by organizing schedules, managing invites, coordinating internal communication, drafting social media content, and researching potential prospects and attendees.
- To attend on-site events (25% Travel) and to provide hands-on support with logistics and marketing activities
- To create and manage social media content
- To support marketing initiatives through light graphic design, industry research, and assistance with special projects

In return what awaits you:

- An appreciative corporate culture and in cooperation with an international team of trustful like-minded network specialists
- Great working conditions
- Exciting and diverse challenges in an innovative and international environment
- Crisis-resistant permanent contract with the world's market leader in its sector
- Flexible working conditions
- Extremely friendly and supportive colleagues

This is important to us

- A first professional experience in Event Management or Coordination is essential

- Strong copywriting skills with the ability to create engaging and approachable content
- Eye for design, ideally with some experience in graphic design tools (e.g., Canva, Adobe).
- Highly organized and self-motivated, with the ability to manage multiple tasks, build rapport across international teams, and work independently while meeting deadlines
