we are looking for an enthusiastic Senior Marketing Manager for our operations in Malaysia and Singapore.

This position is based in **Malaysia** with immediate effect

Senior Marketing Manager Malaysia & Singapore

Our Offer

Your role supports business growth and brand awareness in Malaysia and Singapore through central and local marketing plans.

You are the key contact for the target regions, linking Sales, the Regional Director, Global Marketing, and external agencies.

You will be responsible for the following:

- Co-develop & execute the regional Marketing strategy & program: from conception to full implementation
- Adapt global messaging, assets, and tools for your region while maintaining brand consistency
- Measure & report on the impact of the marketing activities conducted in your region
- Collaborate with local partners on marketing initiatives while building relationships and representing DE-CIX in key institutions or associations
- You will also represent DE-CIX in regional events (fairs, conferences, etc.)

What Awaits You:

- An appreciative corporate culture and excellent working conditions
- A permanent contract with the world's market leader in its sector, working with cutting-edge technologies and offering flexible working conditions (home vs. office)

This is important to us

- At least 5 years of experience in international marketing projects, ideally in Telco/Internet/Cloud B2B. Your Marketing and project management expertise matter more than the academic qualifications
- You are talented self-starter, good in organizing and working with internal & external resources in a

structured way to come to a successful result.

- You have a creative mindset and are familiar with the development process of creative concepts.
- Very good verbal & written communication skills, especially in English (fluent) and Malay
- Excellent MS Office skills. Any experience with a CRM or email campaign platform would be a plus
